

I am Vishesh Barnwal, and I had joined FIITJEE Ranchi in class 11 in Two Year Classroom Program. I came to know about FIITJEE Ranchi through my friends and advertisements.

The Teaching methodology at FIITJEE Ranchi was great as the teachers who were specialised in a particular topic taught me those topics which made sure all were equipped with the knowledge and concept we would require for problem solving. There was good competition which kept us motivated.

The test series like A²TS and AITS ~~helped~~ helped me to familiarise with both the test pattern as well as exam pressure. The tests were conducted as CBT as well on glorified platform. With the help of FIITJEE, I was able to clear various Olympiads. I would like to advise my juniors that they should follow only a single system driven institute such as FIITJEE. This will enable you to achieve your final goal as well as other milestones.

I would like to thank my parents and FIITJEE faculties and staff. It was because of this that I was able to perform to the best of my capabilities and achieve a good rank in Mains and Advanced.
